

FREE Laptop

Your Additional Benefits with **ibam**

- * A free laptop to enable direct access to ilearn, IBAM's online campus with access to all your learning materials, tutors and an international network of peers
- * Free membership of RDI's International Management Academy with access to 1000 hours of professional management development materials, business practitioners and professional videos, combined with an unparalleled opportunity to network internationally to further your professional and career development needs.
- * Direct contact with leaders in industry including cutting-edge learning seminars, workshops and presentations
- * Regular 1-to-1 tutor contact offering personal guidance to maximise your studies
- * Career guidance - in the final stages of your studies you will be given access to our experienced career guidance service, helping you set a clear pathway to your career goals

FREE Laptop

All IBAM students receive a new laptop on arrival configured to access our specialised learning materials and resources, via IBAM's modern ilearn platform. As well as the classroom study at an IBAM Centre, this allows students to continue their studies at home, accessing excellent learning resources, networking with fellow students and communicating with family back home.
