

## Apply Online

Please ensure you are logged in to use this feature - [register/login here](#).

[Click here to access your application form](#).

Your application will then be processed. Please allow 24 hours for your programme advisor to contact you regarding your application.

**Please note: RDI will not pass your data onto any third-parties.**

In addition to the application form it is your responsibility to provide the following supporting documentation:

1. Two suitable references, one of which should be from a current employer. You can download and print the [reference form here](#). It is your responsibility to pass reference forms to your referees and ensure they are completed and returned to RDI.
2. Copies of all certificates stated on your application form and/or transcripts.
3. A copy of your CV detailing your work history.
4. Proof of English language ability, if applicable.

You can send all the above supporting documentation to us by post, fax, or email. Please clearly state your name and course applied for on all documentation. Institutions will not be able to reach a decision regarding your application until all supporting documentation is received and they may request additional information from you at any stage of the application process.

If you would like to speak to a programme advisor at any time then please call us: 0800 268 7737.
